RESOLUTIONS: (Continued)

* ITEM-100: (Continued)

Authorizing the City Auditor and Comptroller to appropriate and expend \$30,000 from CIP-22-962.0. Mission Bay Central Irrigation System Fund No. 630221, Contributions from Fund 100 for the purpose of Mission Bay Central Irrigation System and related cost;

Accepting the contract to the low bidder meeting specifications, Diversified Landscape Company, to provide and install irrigation control equipment at Mission Bay Park per Bid No. 7431-05-L, for an estimate annual cost of \$439,157.66 (including tax), terms net thirty days;

Awarding contract to Diversified Landscape Company to Provide and Install Irrigation Control Equipment at Mission Bay Park as specified per Bid 7431-05-L in the amount of \$439,157.66;

Authorizing the City Manager in the event the Contract fails to perform in accordance with the contract specifications, to award the contract to the next low bidder meeting specifications, contingent upon the City Auditor and Comptroller certifying that any necessary additional funds are available;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess funds, if any, to the appropriate reserves;

Declaring that this project is exempt from the California Environmental Quality Act (CEQA) as the repair and maintenance of existing mechanical equipment.

CITY MANAGER SUPPORTING INFORMATION:

The City has an agreement with the State to receive a Costa-Machado Act of 2000 (Proposition 13) grant to implement the Rose and Tecolote Creeks Water Quality Improvement Project. The project, intended to construct best management practices that will improve the water quality of Mission Bay Park, was approved by Council in January 2002 per Resolution R-295927. The Mission Bay Central Irrigation System project is Phase II of the grant funded improvements to Mission Bay Park and will provide for the upgrade of the existing Mission Bay Park irrigation system with a computerized central system. The project will consist of the replacement of existing irrigation controllers and valves at thirty irrigation sites in Mission Bay Park to reduce over-watering and run-off thereby improving the water quality of the bay.

RESOLUTIONS: (Continued)

* ITEM-100: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

The Storm Water Pollution Prevention Division and the Park and Recreation Department coordinated with the purchasing Division to advertise the "Provide and Install Irrigation Control Equipment at Mission Bay Park" project. On February 17, 2005, the Purchasing Division mailed twenty-five (25) Notice of Bid Opportunities to prospective bidders and advertised the bid in the San Diego Daily Transcript, on the City Web Page and in the Dodge Report. Three (3) bids were received. After an evaluation of the bids submitted, Diversified Landscape Co. was selected as the low, responsible bidder meeting specifications.

The compensation of this contract is in the amount of \$439,157.66. The project will be funded from the State Proposition 13 Clean Beaches Initiative Grant, Fund 38353 for installation of the irrigation for the Mission Bay Computerized Central Irrigation System Project.

FISCAL IMPACT:

Funds for this project are available from Fund No. 38353, State Proposition 13 Clean Beaches Initiative Grant in the amount of \$439,157.66 and from Fund No. 100, P&R/Developed Regional Parks in the amount of \$30,000.

*** ITEM-101: Sunshine Ballfield Improvements.**

(See memorandums from Anita C. Pyle dated 8/23/2005, Deputy Mayor Atkins dated 8/5/2005 and 7/28/2005, Councilmember Peters dated 7/27/2005, Councilmember Young dated 7/26/2005, and Councilmember Madaffer dated 7/25/2005. Mid-City Community Area. District 4.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-203)

Authorizing the addition of CIP-29-894.0, Sunshine Ballfield Improvement, to the Fiscal Year 2006 Capital Improvements Program;

Authorizing a \$127,190, increase in the Fiscal Year 2006 Capital Improvements Program Budget in CIP-29-894.0, Sunshine Ballfield Improvements, Fund No. 18541, Community Development Block Grant Fund 2006;

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$127,190, from CIP-29-894.0, Sunshine Ballfield Improvements, Fund No. 18541, Community Development Block Grant Fund 2006 for the purpose of design and construction of improvements at the Sunshine Little League Fields.

CITY MANAGER SUPPORTING INFORMATION:

The Mid-City Athletic Area, a City-owned park, is located on Federal Boulevard, within the Eastern Area of the Mid-City Community Planning Area. The Sunshine Ballfields lie within the Mid-City Athletic Area and are maintained and operated by the Sunshine Ballfield Organization (SBO) under a preferential non-exclusive use and occupancy permit.

This project includes upgrades to the existing path of travel, bleachers, drinking fountains, comfort station, fencing, accessible parking and other site amenities, in accordance with state and federal safety and accessibility requirements.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

RESOLUTIONS: (Continued)

* ITEM-101: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

This funding was originally allocated to the SBO. Council District 4 requested and the SBO concurred that Park Planning and Development Staff of the Park and Recreation Department assist the SBO with these much needed improvements, hence, the request for funding reallocation. Staff has and will continue to coordinate with the SBO on their priorities.

FISCAL IMPACT:

The total project cost is \$127,190, and is funded by the Community Development Block Grant in the Fiscal Year of 2006. The SBO will continue to operate and maintain the ballfields. Therefore no budget impact is anticipated by this project.

- * ITEM-102: Sixth Amendment to the Joint Powers Agreement Confirming the Creation of an Agency Known as Southern California Coastal Water Research Project Authority.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-133)

Authorizing the City Manager, for and on behalf of the City, to execute an agreement with the City of Los Angeles, the Orange County Sanitation District, and the County Sanitation District No. 2 of Los Angeles County, for the continuation of the Southern California Coastal Water Research Project Authority through June 30, 2009, under the terms and conditions set forth in the Joint Powers Agreement;

Authorizing the expenditure of an amount not to exceed \$1,399,527 from Sewer Fund 41508, Metropolitan Wastewater Department Operating Budget, to provide funds for the Joint Powers Agreement, to be expended as follows:

\$336,528 in Fiscal Year 2006;

\$345,278 in Fiscal Year 2007;

\$354,255 in Fiscal Year 2008;

\$363,466 in Fiscal Year 2009;

with funding for Fiscal Years 2007-2009 contingent on the Council's approval of funding for this purpose in the respective years' operating budgets and provided that the City Auditor and Comptroller first furnishes one or more certificates demonstrating that funds necessary for this expenditure are, or will be, on deposit with the City Treasury.

CITY MANAGER SUPPORTING INFORMATION:

The Southern California Coastal Water Research Project (SCCWRP) is a joint project authority which was created in 1969 for the purpose of increasing the scientific knowledge of how treated wastewater discharges, storm water discharges and other human activities interact to affect Southern California's coastal aquatic ecological systems, and thereby to ensure protection of these resources.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

RESOLUTIONS: (Continued)

* ITEM-102: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

The study area extends from the United States/Mexico border to the Santa Barbara County line. The City of San Diego is a founding member of the Joint Powers Authority. There are four principal members which provide the funding for this joint project authority: (1) City of Los Angeles; (2) Orange County Sanitation District; (3) City of San Diego; and (4) County Sanitation District No. 2 of Los Angeles County. Also participating are the United States Environmental Protection Agency, State Water Resources Control Board, and three Regional Water Quality Control Boards representing the San Diego, Los Angeles, and Orange County Regions.

The term of this agreement is for four years, beginning with fiscal year 2006. Execution of this agreement obligates the City for the first year of the four year term. Withdrawal provisions are included within the agreement for years two, three, and four.

An alternative to participation in the SCCWRP would be for the City of San Diego to hire specific consultants, on a case by case basis, to accomplish this work. This alternative is not recommended, however, as it would result in inefficiencies, additional costs and loss of City input that results from the cooperative working relationship with the regulators and other dischargers that are part of the SCCWRP.

FISCAL IMPACT:

Fiscal impact to the City of San Diego over the four years of the agreement would be as follows: (1) FY 2006, \$336,528; (2) FY 2007, \$345,278; (3) FY 2008, \$354,255; and (4) FY 2009, \$363,466. The first-year cost of executing the Sixth Amended Joint Powers Agreement for the Southern California Coastal Water Resources Project Authority is \$336,528 and is available in the FY 2006 Operating Budget, Sewer Fund 41508.

- * ITEM-103: Library Services and Technology Act Grant from California State Library for Community Program Youth Voices Barrio Logan.

(Central/Barrio Logan Community Area. Districts 2, 3, and 8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-169)

Authorizing the City Manager to accept and expend Library Services and Technology Act grant funds from the California State Library in the amount of \$136,367, for the purpose of producing the community program "Youth Voices Barrio Logan";

Authorizing the City Manager to submit all documents, negotiate, and execute all agreements necessary, including any amendments, to comply with the grant requirements and to carry out and administer all obligations, responsibilities, and duties under the grant;

Authorizing the City Auditor and Comptroller to establish a fund for the purpose of handling the accounting to facilitate the process of tracking revenue and expenditures for this project.

CITY MANAGER SUPPORTING INFORMATION:

The San Diego Public Library is requesting authorization to accept and expend funding from the California State Library Services and Technology Act, and to establish a fund for the purposes of tracking grant revenue and expenditures for the purpose of producing the "Youth Voices Barrio Logan" program.

In partnership with the Media Arts Center San Diego, High Tech High, High Tech Middle School, National Latino Research Center, Barrio College Institute, Memorial Academy, and MAACSD, the proposed digital storytelling project would directly benefit teenagers and adults in the Barrio Logan area of San Diego through a series of educational workshops. In addition to learning technical skills, the young people will connect with their history through the documentation and preservation of local stories. Community screenings will be offered to the community at large, and the digital videos will be made available on DVDs and become part of the Central Library's media collection.

* ITEM-104: Creekside Village Sewer Vacation.

(Nestor Community Area. District 8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-162)

Vacating and abandoning the portion of the City-owned sewer line located in Lots 24 through 32 and Lot 47 of Block 440 of Creekside Village Subdivision Map No. 14022;

Authorizing the City Manager, or designee, to execute a Quitclaim Deed, conveying to the current owners of record all of the City's right, title, and interest in that portion of the sewer easement crossing Lots 25 through 32 and Lot 47, APN 630-440-24 through 630-440-32 and APN 630-440-47, and in that portion of the sewer easement crossing Lots 25 through 32, APN 630-440-25 through 630-440-32, of Block 440 of the Creekside Village Subdivision on Map No. 14022, as shown and legally described in Exhibit A to the Quitclaim Deed, for the purpose of vacating and abandoning the easements no longer required by the City due to the installation of the sewer in the adjacent street;

Waiving Council Policy 700-10 regarding the date of the appraisal;

Authorizing the City Auditor and Comptroller to accept \$31,200 and to deposit that amount into Sewer Revenue Fund No. 41506.

CITY MANAGER SUPPORTING INFORMATION:

JUSTIFICATION: This action vacates and abandons that portion of the sewer line no longer needed as a result of the re-alignment and completed installation of the sewer line in the adjacent street.

A portion of the City sewer line within the Creekside Village Subdivision located north of Iris Avenue and east of 27th Street was originally planned to be installed within a 15-ft. wide (0.13 ac.) City sewer easement, acquired from the Ostergards (Document No. 16894, recorded 1/26/60) per Resolution No. R-158694 adopted on 1/12/60, running along the north boundary of the Subdivision.

* ITEM-104: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

An 8-ft. wide sewer access easement, located within a portion of the above referenced 15-ft. wide sewer easement, was granted to the City on Creekside Village Subdivision Map No. 14022. This action authorizes the vacation and abandonment of that portion of City-owned sewer line located in Lots 24 thru 32 and 47 of Block 440 of Creekside Village Subdivision Map No. 14022. This action also authorizes the City Manager to execute a Quitclaim Deed conveying to the current owners of record, all the City's right, title, and interest in that portion of the sewer easement crossing Lots 25 thru 32 and 47 (APN 630-440-24 thru 32 and 47) and that portion of the sewer access easement crossing Lots 25 thru 32 (APN 630-440-25 thru 32) of Block 440 of Creekside Village Subdivision on Map No. 14022, in consideration of the City being paid fair market value of \$31,200 based on an appraisal dated September 29, 2004 prepared for the City by Kent J. Carpenter, MAI. Although the appraisal prepared for the City is more than six months old the City valuation staff believes it still represents the current fair market value of the easement.

FISCAL IMPACT:

\$31,200 to be deposited into the Sewer Revenue Fund No. 41506.

ITEM-150: Construction and Demolition (C&D) Debris Diversion Deposit Ordinance.

(See City Manager Report CMR-05-071; and memorandum from Elmer L. Heap dated 7/28/2005.)

(Continued from the meetings of July 18, 2005, Item 150, August 1, 2005, Item 150, and September 12, 2005, Item 150, at the request of the City Manager, for further review.)

TODAY'S ACTION IS:

Introduce either Option 1 in Subitem A or Option 2 in Subitem B; and adopt the following resolution in Subitem C:

Option 1

Subitem-A: (O-2005-101 Cor. Copy 2)

Introduction of an Ordinance amending Chapter 6, Article 6 of the San Diego Municipal Code by adding Division 6, Sections 66.0601, 66.0602, 66.0603, 66.0604, 66.0605, 66.0606, 66.0607, 66.0608, 66.0609, and 66.0610, all relating to the Diversion of Construction and Demolition Debris from Landfill Disposal.

This ordinance would require applicants for building permits and demolition/removal permits to post a refundable deposit and submit a waste management plan demonstrating how construction and demolition waste generated from the project will be diverted from landfill disposal. After final project inspection and timely submittal of satisfactory evidence that the waste has been properly diverted, the applicant would be eligible for a refund of the deposit in proportion to the diversion rate achieved for the project.

This ordinance shall take effect beginning on January 1, 2006, and initially requires the applicant to achieve a 25% diversion rate in order to be eligible for a full refund of the deposit. The required diversion rate will increase to 50% as of July 1, 2006, and to 75% as of January 1, 2007, unless a certified recycling facility, which accepts mixed construction and demolition wastes, is not operating within the City at the given diversion rates on the rate increase dates specified above. In that case, diversion rate increases will take place after public notice that such a facility is available.

OR

Option 2

Subitem-B: (O-2005-143 Cor. Copy)

Introduction of an Ordinance amending Chapter 6, Article 6 of the San Diego Municipal Code by adding Division 6, Sections 66.0601, 66.0602, 66.0603, 66.0604, 66.0605, 66.0606, 66.0607, 66.0608, 66.0609, and 66.0610, all relating to the Diversion of Construction and Demolition Debris from Landfill Disposal.

This alternative ordinance sets forth the same requirements as described in Option 1 above with the following exceptions:

The **alternative** ordinance shall take effect and **be in force on the thirtieth day after public notice that a certified recycling facility which accepts mixed construction and demolition waste is operating in the City at a 50% diversion rate.**

The alternative ordinance initially would require the applicant to achieve a 50% diversion rate in order to be eligible for a full refund of the deposit. That diversion rate would remain in effect for six months, after which time the diversion rate would increase to 75%, unless a certified recycling facility, which accepts mixed construction and demolition wastes, is not operating within the City at a 75% diversion rate at that time. In that case, the diversion rate increase will take place after public notice that such a facility is available.

Subitem-C: (R-2005-1288)

Approving the modified deposit schedule for the City's Construction and Demolition Debris Diversion Program, attached hereto as Exhibit "A" and on file in the Office of the City Clerk;

Directing the City Manager to draft internal procedures to require the recycling of construction and demolition debris, as set forth in more detail in Manager's Report No. 05-071, on file in the Office of the City Clerk.

COMMITTEE ON NATURAL RESOURCES, AND CULTURE,
ORDINANCES TO BE INTRODUCED WITH RESOLUTIONS TO BE ADOPTED:
(Continued)

ITEM- 150: (Continued)

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 4/13/2005, NR&C voted 4 to 0 to forward this ordinance to the City Council for their consideration with no recommendation from the Natural Resources and Culture Committee, and to direct the City Manager to bring forward to the Council an alternative ordinance that addresses the various concerns raised by the Committee members. (Councilmembers Young, Maienschein, Frye, and Madaffer voted yea.)

SUPPORTING INFORMATION:

On November 22, 2004, the City Council voted 7-0 to adopt a Construction and Demolition Material Recycling Policy and directed the City Manager to bring forward a mandatory construction and demolition recycling ordinance to the Natural Resources and Culture (NR&C) Committee. The Construction and Demolition (C&D) Debris Diversion Deposit Ordinance (Ordinance) was presented to the NR&C Committee on April 13, 2005. The Committee voted 4-0 to forward the Ordinance to the full City Council with no recommendation along with an alternative ordinance that includes modifications to the initially proposed ordinance based on direction from the Committee.

The Ordinance would provide an incentive to recycle or reuse C&D waste by requiring applicants for building and demolition permits to post a refundable deposit and submit a waste management plan demonstrating how C&D waste from the project will be diverted from landfill disposal. Upon submittal of documentation, proving waste has been diverted, deposits would be returned to the applicants in proportion to the diversion achieved by the applicant.

An applicant could decide to forfeit the deposit in lieu of diverting waste. With certain exceptions (noted in Attachment I to City Manager's Report 05-071), the Ordinance would apply to all applicants for building and demolition permits beginning January 1, 2006. The project diversion rate would increase over time, beginning with a 25% diversion rate applicable to permits issued between January 1, 2006, and June 30, 2006, increasing to a 50% diversion rate on July 1, 2006, and increasing to a 75% diversion rate for permits issued after January 1, 2007. The diversion requirements would not increase to 50% or 75% until the City has given notice that a mixed C&D facility is operating in the City at that diversion rate.

ADOPTION AGENDA, DISCUSSION, COMMITTEE ITEMS (Continued)

COMMITTEE ON NATURAL RESOURCES, AND CULTURE,
ORDINANCES TO BE INTRODUCED WITH RESOLUTIONS TO BE ADOPTED:
(Continued)

ITEM-150: (Continued)

SUPPORTING INFORMATION: (Continued)

The alternative ordinance differs in that the deposit requirements take effect thirty (30) days after a mixed C&D facility operating in the City at a 50% diversion rate has been certified; would require applicants to achieve a 50% diversion rate on the project in order to qualify for a full refund; and would step up to a 75% diversion requirement seven months after a mixed C&D facility is certified at a 75% diversion rate.

In addition, the NR&C Committee asked staff to reduce costs on residential alterations. Staff responded to this request by increasing the minimum square footage subject to the ordinance and decreasing the maximum deposit for these projects. The NR&C Committee also asked staff to commit to returning refunds to qualified applicants within 30 days rather than 90 days. Both of these changes have been incorporated into the alternative Deposit Schedule.

In relation to internal City C&D recycling requirements, ESD is in on-going discussions with other City departments working together to minimize impacts to the other departments.

FISCAL IMPACT:

If the original Ordinance is adopted, the fiscal impact will be the same as noted in the City Manager's Report 05-071 attached. If the alternative ordinance is adopted, there will be no fiscal impact in FY 2005 or FY 2006 and the fiscal impact for subsequent fiscal years will be the same as noted for those years in the City Manager's Report.

CITY MANAGER SUPPORTING INFORMATION:

As part of the FY 06 budget process and consistent with the City's policy on budgetary cost recovery principles, the City Manager directed staff to conduct a full evaluation of the costs and revenues associated with providing City services. This effort is in accordance with the California Constitution, as well as the State Government Code which authorize local jurisdictions to impose fees, charges, and rates in order to recover costs associated with providing services and the use of facilities.

On June 7 and June 20, 2005, public hearings were held by the City Council to consider the establishment of new rates and fees and adjustments to existing rates and fees (see Manager's Report No. 05-121). The Mayor and City Council approved a number of new and revised fees, some of which require a resolution to be approved and/or a resolution to transfer the references to the Standardized Rate Book maintained by the City Clerk, pursuant to Administrative Regulation 95.25 or San Diego Municipal Code Section 86.2013.

The initial approval of rates and fees on June 20 included the direction for staff to return to the City Council with any necessary enacting resolutions. Staff returned to City Council on July 25 for these necessary enacting resolutions for the following rates and fees: Collection Referral Fee, Residential Permit Parking, Volleyball League Season Reservation for Beach and Bay Areas, Balboa Park Botanical Building Entrance Fees, American Red Cross Courses and Specialized Swim Instruction, Mt. Hope Cemetery Low Income Fee Assistance Program, and Determination of Public Convenience or Necessity fee.
